➤ Old Business:

Leslie Ingraham, 7591 1st St appeared before the board to present his site plan application for the replacement of a sunroom. (Having missed the 5/18/15 meeting to present his project). Chairman DeWispelaere explained that a stop work order had been placed on the project on 5/29/2015 (see appendix A). Mr. Ingraham was told by our CEO, Al Hendrikse, to stop construction immediately and to tear down what had been completed so far due to lack of a building permit. As of tonight's meeting time, the tear down process had not begun so Chairman DeWispelaere suggested that we table the application until we hear back from our CEO as to the status of the stop work order. Motion to table the application by M. Jenis, 2nd S. Neal. Ayes carried.

Katlynn Marine, 7448 Route 14, Sodus Point. The public hearing scheduled for tonight was adjourned by the applicant and no further information is available at this time.

The meeting was adjourned at 8:10 PM by the chairman DeWispelaere, motion M. Appleby, 2nd A. Hayslip.
