## Waterfront Assessment Form

**A. INSTRUCTIONS** (please print or type all answers)

1. Applicants or, in the case of direct actions, municipal agencies, shall complete this Waterfront Assessment Form (WAF) for proposed actions that are subject to the LWRP consistency, review. This assessment is intended to supplement other information used by an agency in making a determination of consistency with the Village of Sodus Point Local Waterfront Revitalization Program.
2. Before answering the questions in Section C, the preparer of the form should review the policies and explanations of policy contained in the Local Waterfront Revitalization Program (LWRP), a copy of which is on file in the Village Clerk's office. A proposed action should be evaluated as to its significant beneficial and adverse effects upon the waterfront area.
3. If any question in Section C on this form is answered "yes", then the proposed action may affect the achievement of the LWRP policy standards and conditions contained in the consistency review law. Thus, the action should be analyzed in more detail and, if necessary, modified prior to making determination that it is consistent to the maximum extent practicable, with the LWRP policy standards and conditions. If an action cannot be certified as consistent with the LWRP policy standards and conditions, it shall not be undertaken.
